### Five ways to save on Directory Assistance charges

1. Write down the numbers that you call frequently. You may wish to circle or underline a number in your directory to quickly find the number a second time.
2. To get the telephone number of someone who has recently moved, call the old number. A new number reference is generally provided.
3. If you need two numbers, request them both at the same time. Once a call to Directory Assistance has been placed, a second listing is given at no charge.
4. You can save the cost of a second call to Directory Assistance if you can supply complete information the first time: exact location, accurate spelling and full names.
5. If you are not sure of the name or spelling of a restaurant, theater, store, union or business, check the Yellow Pages under the appropriate heading.
