## CALL BEFORE YOU DIG

Before engaging in any type of digging or excavating such as building a new deck or landscaping, it is required by law to contact Iowa One Call at 1-800-292-8989 or **811** at least 48 hours in advance.

This procedure is important so you know which areas to avoid when digging. It eliminates the risk of service disruptions and personal

injury as well as considerable fines and penalties. Utility locate requests are sent to all involved utilities, such as South Slope, to mark the underground utility locations with flags and paint markings. Please visit [iowaonecall.com](http://iowaonecall.com) for more information.

Each utility type is represented by a different colored flag.

	Red: Electric
	Pink: Temporary markings
	Blue: Water
	Yellow: Gas
	Orange: Communications
	Green: Sewers
	Purple: Reclaimed water
	White: Proposed excavation
