

THE SOUTH SLOPE CONNECTION

April 2024

DISCOVER THE POWER OF WI-FI 6

Give your internet a serious upgrade by switching to a router with the latest Wi-Fi standard - Wi-Fi 6. Not only does it supercharge your internet speed, it also ensures you fully experience the speed you're paying for across all of your devices.

Older Wi-Fi standards like Wi-Fi 802.11a/b/g/n have speed and bandwidth limitations, unable to fully utilize modern high-speed fiber internet connections. In contrast, Wi-Fi 6 routers, such as those that come with South Slope Managed Wi-Fi, fully deliver speeds and support demanding applications like 4K video streaming, online gaming, and remote work.

Wi-Fi 6 provides additional benefits to enhance overall performance:

- 1. Increased bandwidth:** Wider channels for more bandwidth, enabling faster data transfer and reduced latency.
- 2. Improved efficiency:** Our systems use advanced technologies like MU-MIMO (multi-user, multiple input, multiple output), allowing multiple devices to receive data simultaneously, reducing congestion.
- 3. Better coverage:** Beamforming technology focuses the Wi-Fi signal directly towards a device, enhancing signal strength and coverage.

If it all sounds too technical, don't worry. South Slope Managed Wi-Fi simplifies everything. Our experts set up your home network for faster speeds, increased bandwidth and better coverage. Add South Slope Managed Wi-Fi to your internet plan and get two months free. Some restrictions apply. Call 319-626-2211 to get started.

SOUTH SLOPE CARES

We were honored to build beds on Presidents' Day with Sleep in Heavenly Peace, an organization committed to ensuring no child sleeps on the floor. Learn more at shpbeds.org.

CALL BEFORE YOU DIG

Before engaging in any type of digging or excavating, such as building a new deck or landscaping, it is required by law to contact Iowa One Call at 1-800-292-8989 or **811** at least 48 hours in advance.

This procedure is important so you know which areas to avoid when digging. It eliminates the risk of service disruptions and personal

injury as well as considerable fines and penalties. Utility locate requests are sent to all involved utilities, such as South Slope, to mark the underground utility locations with flags and paint markings. Please visit iowaonecall.com for more information.

Each utility type is represented by a different colored flag.

	Red: Electric
	Pink: Temporary markings
	Blue: Water
	Yellow: Gas
	Orange: Communications
	Green: Sewers
	Purple: Reclaimed water
	White: Proposed excavation

COOKING CORNER

Lemon Cookies (24 servings)

Ingredients

- ½ cup butter at room temp
- 1 ¼ cups granulated sugar
- ½ cup powdered sugar
- 2 large eggs
- ¼ cup fresh lemon juice
- 1 to 2 Tbsp lemon zest
- ½ tsp baking powder
- 2 ½ cups all-purpose flour

Directions

1. Cream together the butter and two sugars with a mixer until well blended. Scrape sides of bowl.
2. With the mixer on low, add eggs, lemon juice and zest, and mix until blended.
3. Add flour and baking powder. Stir until just combined. Add flour and baking powder.
4. Cover and chill dough for 30 minutes.
5. Preheat oven to 375° F.
6. Drop by 1½ Tbsp scoops onto two baking sheets lined with parchment.
7. Bake until edges are firm, about 7-10 minutes.
8. Once cool, dust with powdered sugar.

APRIL 17TH

SOUTH SLOPE COMMUNITY CENTER

DOORS OPEN 8:30 a.m.

MEETING BEGINS 9:30 a.m.

Pre-register at southslope.com/annual-meeting
or call 319-626-2211 & enter to win a
\$50 credit on your South Slope bill!

NATIONAL DO-NOT-CALL REGISTRY

The National Do-Not-Call Registry, established by the Federal Trade Commission, allows telephone subscribers to avoid solicitations from telemarketers. The registry applies to all telemarketers, with the exception of businesses with whom you have an existing relationship, certain non-profit and political organizations. Commercial telemarketers aren't allowed to call you if your number is listed on the National Do-Not-Call Registry.

You may register your residential and wireless telephone numbers for free on the National Do-Not-Call Registry online at donotcall.gov or by telephone at **1-888-382-1222**. For TTY call **1-866-290-4236**. You must call from the phone number you wish to register. Registrations become effective after 31 days and will remain on the National Do-Not-Call Registry permanently. You can remove your telephone number from the registry by calling **1-888-382-1222** from the telephone number you wish to remove. After you contact the registry to delete your number, it will be removed from the National Do-Not-Call Registry by the next day.

Visit donotcall.gov to submit a complaint, register, verify registration, or to learn more. The Federal Communications Commission requires that this notice is provided to our customers on an annual basis.
